HAWAII AREA 17

Meeting the Challenge

How Areas Adapt and Respond During Natural Disasters

HAWAII FORUM

Come join us for a friendly conversation with fellow Area 17 members. **All are warmly welcome** - bring your experience, your questions, and your ideas, and share how we can keep supporting our groups and communities when disaster strikes.

Here in Hawaii, we know these challenges firsthand. Hurricanes, tsunamis, volcanic eruptions, wildfires, and flooding can change daily life in a moment. We will talk together about how our island communities and A.A. groups adapt, look out for one another, and keep meeting and serving when they hit.
