Re: Conference Agenda Committee Request

Dear Friends,

The members of the 2000 Conference Agenda Committee, included in their report as an additional consideration that:

“The staff secretary prepare a letter and form to be sent out annually in early August to all Conference members to gather suggestions for the Conference theme, presentations and workshop topics.”

The theme, presentation and workshop topics for each General Service Conference are discussed by delegates during the week of the Conference. These topics revolve around basic principles of A.A. and can spark thought-provoking discussion at Area and district meetings as well. Regions, areas and districts may incorporate discussion of these topics into workshops, meetings, pre-Conference assemblies, etc. This gives A.A. members involved in service the opportunity to participate and become more informed about A.A.

The 2012 Conference Agenda Committee will consider suggestions for a theme, presentation and workshop topic for **2013**. We hope that you will assist us by asking members in your area to offer suggestions for the theme, presentation and workshop topics for the 63rd annual meeting of the General Service Conference, April 21 - 27, 2013.

Please send suggestions in by December 16, 2011. A list of past Conference themes is enclosed for your reference, as well as a form for your convenience in submitting suggestions.

On another note, we expect the 2011 Final Conference Report to be ready for distribution by the end of August and the Report will be shipped to you in all three languages.

In fellowship,

Eva Sanchez, secretary
Conference Agenda Committee
