

## DCM\*

1. Do I reach out to all the groups in my area, especially groups who do not have a GSR?

- Do I attend group's AA meetings and business (or home group) meetings and talk about the responsibilities of general service work?

2. What additional steps could I suggest to the District to help the GSR's become familiar with the *AA Service Manual, Box 4-5-9*, the 12 Traditions, the 12 Concepts, the *Guidelines* from GSO and other Conference approved books and pamphlets?

3. How can I improve my communications with my alternate DCM?

- Do I delegate work and authority to my alternate DCM?
- If I were no longer able to serve as DCM have I adequately informed my alternate and shared enough information with him/her to he/she could easily step into the position?

4. How do I report back to my District the issues discussed at the Area Committee Meetings?

- Am I reporting back in an even-handed manner, presenting the pros and the cons on the issue (to the point that no one in my District would be able to guess where I stand on the issue)?
- Or do I present my position on the issue in a favorable light and down play other positions?
- Do I take the time to orient new GSRs on their position, responsibilities, role in District and Area meetings and to bring them up to speed on the issues which will be discussed at the next Area meeting?

5. What else can I do to help the GSRs make interesting reports to their groups about District and Area's work?

- Do I encourage them to bring members of their group to District meetings?

6. When I leave this position will I be able to say that the District is more unified, more active in carrying the message, more informed in AA's history, current Conference topics and service structure than it was when I first took the position?
