

# Hawaii Area 17, Panel 63 Inventory Assembly

## Alternate Delegate Report

---

Aloha and Mahalo for allowing me to serve as Area 17, Panel 63 Alternate Delegate. I'm looking forward to reviewing the inventory topics with you and finding things we've done well and areas where we can improve.

Since we last met in October for the Budget Assembly, I have been privileged to represent Area 17 in the following ways:

- Annual Hawaii Convention - As your alternate delegate, I have served on the Annual Hawaii Convention Steering Committee, attending meetings either in person or via teleconferencing. During the actual convention, I learned a lot about how the convention comes together and worked with others on the Steering Committee wherever I could be of service.
- Attending District 8 and West Hawaii Intergroup business meetings.
- 2016 Pacific Regional Forum - Participated in reviewing contract for hotel and planning for Forum.

Mahalo for the opportunity to be of service.
