

Delegate Report re quarterly group contributions to GSO October 2015

Posted on **October 2, 2015** by **admin**

Aloha all,

GSO has asked we extend a huge mahalo to all the groups and individuals who have contributed. They compile an accounting at the end of each quarter and pass that on to the DCMs and groups (usually via the group treasurer) with their thanks. Here is a copy of that report. Check it out and see what your group has contributed and make sure to extend GSO's thanks to your group members. If your group isn't including GSO in their split, you might familiarize yourself with what GSO does and pass it on to home group members. Here's a list and links to some helpful literature on www.aa.org, specifically under the tab on Contributions and Self Support,
