

## Area 17, Panel 65

### Inform the Delegate Assembly Topics

Building on the process of last year's Inform the Delegate assembly, we will use a format that mimics the General Service Conference in New York. Highlights of the process this year are:

- Topics will be assigned to each standing committee at the February Committee Meeting.
- GSRs will prepare topics based on which area standing committee they have been assigned to at the assembly.
- All DCMs and standing committee chairs will be given a complete set of background information and a list of all topics.
- Standing committee chairs are expected to contact GSRs and facilitate their obtaining background information and preparing for the assembly.
- DCMs have traditionally reviewed topics and helped GSRs access information.
- Standing committee chairs will help facilitate discussion groups at the assembly.
- Page numbers on the list of topics refer to page numbers on GSC Background Material. For example -
  - III. Corrections - Discuss the Corrections Correspondence Service (CCS). **Pages 95 - 101**
- Bulleted items below topic are suggestions and ideas for further consideration in researching topic.
- List of topics, with committee assignments, and references will be posted on the website after the February committee meeting.

Mahalo for all your hard work in helping with preparation of the 65<sup>th</sup> General Service Conference.

Please don't hesitate to contact me with any questions.

Cheryl N.
