Aloha Panel 67 trusted servants,

As of Aug 19, 2018 the Hawaii Area funds are as follows:

Operating Funds \$30,040.76 Prudent Reserve \$5,003.58 Reserve for Computer Equipment \$850.45 Reserve for International Convention \$1479.89 Total Cash in Bank \$35,074.04
Total Contributions and Income \$17,379.12 Total Expenditures \$18,955.08 Net Income/Loss \$-1,575.96.

As of August 19, 2018 we are \$-1,575.96 in the red. Our income from contributions is catching up with our expenditures. Thank you to all the groups that have contributed both large and small amounts! We must keep the contributions coming in as we still have some large expenditures before the end of the year.

Please include your group name and district number on your checks. If you would like a receipt, please include a self-addressed stamped envelope with your contribution. Mahalo to those groups who have included envelopes with their 7th Tradition splits – it really saves a lot of time when preparing deposits.

Just a reminder that our Hawaiian Airlines Affiliate code is HAWAIIAREA. The term "Affiliate Program" does not imply that we are affiliated or endorsing Hawaiian Airlines. In general, the earlier we book, the cheaper the tickets are. In the spirit of financial prudence and responsibility. More information regarding Air Travel can be found on the Area website, <http://www.area17aa.org/air-travel/>. For officers and committee chairs, if you want the Treasurer to make airline reservations for you for assemblies and committee meetings using the Area debit card, please include your full name, birthdate and Hawaiian miles number (if you have one) in your request. That way the Treasurer won't need to contact you for that information.

Should you need any assistance and/or treasurer support, please feel free to contact me through the Area email at treasurer@area17aa.org. . It has been a real pleasure serving so far.

In love and service Mike K., Area Treasurer, Panel 67

Proposal: District 8 – Mana of the Roundtable

Hawaii Area 17 Proposal to the General Service Conference

The Mana of the Round Table Group and Hawaii District 8 propose that:

AAWS design a simple pamphlet to help AA members and groups apply the Twelve Concepts for World Service at the group level.

Outside of members involved in General Service, our group and district feel there is a lack of understanding of the practical use of the Twelve Concepts at the group level. Even the Twelve Concepts for World Service illustrated pamphlet, while simplified from the full version found in the AA Service Manual and Twelve Concepts for World Service, is not geared for practical application at the group level.

Submitted by:

Mark L., DCM for District 8, Area 17, Hawaii and

Ananji – GSR for Mana of the Round Table, District 8, GS# 000675563

Approved by group conscience:

February 9, 2018 – Mana of the Round Table Group

February 16, 2018 – District 8, West Hawaii

Date received: February 16, 2018

Examples:

Concept III, "Right of Decision" – At the group level this could mean that trusted group servants have the right to make decisions when necessary; for instance, buying a different brand of coffee because it is on sale and will save the group money.

Concept IV, "Right of Participation" – At the group level this could mean that those actively involved in carrying out group service work should have voice in group matters and consciences.

Concept V, "Minority Opinion" – At the group conscience, minority opinion is a valuable tool to insure that groups always fully discuss their decisions and that all voices are heard.

Commentary:

We have often heard that the Twelve Steps are directed at the individual, the Twelve Traditions at the group and the Twelve Concepts are for World Service. Yet many members with long and active sobriety feel there is a value to practicing the Traditions at a personal level at home, at work, and in their relationships. We feel there is a lot to be gained from an understanding and application of the Concepts at the group level and would like to see a pamphlet that suggests how a group may utilize these principles in their service.

Discussion/Questions

Joey is for the proposal

Vote: 79 Yes; 3 No; Motion Passes

Minority Opinion:

Chris (Kauai) The Twelve Concepts Illustrated is already in place. If there is an issue of how things are viewed in A.A. then ask and talk about it.

Bob will submit this proposal to GSO.

Service Commitment Feedback

Deborah L.(DCM) Learning experience; got to meet a lot of people; got to travel; held accountable; NOT "taking a break"; you're not alone; commitment does not interfere in other areas of life.

Kelly S.(**Standing Committees**) Grapevine Chair; kept her commitment to personal recovery alive and the link to others there. Grown on a personal level; doing better of service; gained friends; guarantees we probably will stay sober.

Deborah S. Secretary

Mike T: (Area Treasurer) Important job, can be learned, Quickbooks is easy to use. Service is

Rachel: (Area Registrar) Amazing experience, challenging - the database needed to be cleaned up and is cleaned up, the position involves a lot of time, the new software being released in the next panel is easy to learn and user friendly, having this ohana is the biggest blessing.

Coleen:(Area Alt Delegate) Talking to family about service commitment; Using the A.A. Service Manual and Area 17 Guidelines to help decide a position(s) you are willing to commit to. Doing a job well is the link in the chain.

Tommy (Area Alt Chair): Helping our group get informed; being connected to A.A. as a whole; A.A. as a whole connected to (his) personal recovery. Of all service positions I've held Alt Chair was the most fun;

Kunane (Area Chair): Presenting before many running a meeting smoothly as possible (principles before personalities). Learned one service commitment (at a time) is enough. Takes up enough time to be away from other areas of my life such as family.

Bob H (Area Delegate): Position is a big commitment in time but an amazing journey; requires a lot of reading (the general service conference material leading up to the general service conference ; learned to trust the committee process. Did his best to accept commitments to speak; ask your family about committing to a time consuming position; negotiated with work to fulfil time commitment; add fun to commitment; big commitment in effort; Concept 2 - the group conscience; if you have the time and willingness stand and let the assembly decide.

General Service Representatives:

Nancy: Stepping into service to carry the message. Megan: lot of challenges but learned alot. Is learning what principles before personalities. Leah: Awesome experience, incorporated willingness into all my affairs is why I'm here; gained friendships; walked through fear of being in service. Robert: Stepping back into service after 30 years. Ramon: friends encouraged him to show up and don't be afraid. Richard: Roberts Rule of Order is a tool of order, the loudest voice is the majority, I do this to keep the doors open for the next alcoholic. Stacy: helps keep me sober. Joey: "if you're not in service you are robbing yourself of personal recovery. Lyle: Got a nudge from God...after 30 years sobriety I stepped into general service. Andrea: I didn't feel like doing this is why i'm doing it, service broadened me as a person, cut away he rough edges and forced me to grow. Take away from Bob H. " Service rubbed off some of my rough edges"

Roundtables "What Do You Want to Pass On To The Next Panel"

GSR RT Group 1 Megan

GSR RT Group 2 Jean "Clarity of Purpose? What is holding our group back from carrying out our primary purpose?"

GSR RT Group 3 Patrick "Better Understanding about Area Standing Committees"

GSR RT Group 4 Brian:

1. Proactive about registering at the completion of one assembly. This also helps district hosting assembly to coordinate the event
2. Orient new GSR's who are brought in outside of the orientation assembly rotation may not be getting as much attention and there was some discussion about how to duplicate the information gained at the assembly in a more personal manner.

Part of the issue a member suggested that the information is already provided regarding when the new GSR should be elected prior to orientation assembly.

Want to be preventative by discussing the 2 year GSR transition much earlier during the year at all events.

Existing GSR can mentor in the next GSR or alternate GSR

Can healthy groups who understand process of becoming a GSR and when the election are help those groups either without a GSR or not well informed.

District level, possibly DCM, can also help spreading the word. One member talked about the his positive experience with DCM right away getting him the information he needed to be GSR for his group and was able to go back to his group and share, which seemed to be empowering for him.

Service sponsor is a vital piece of maintaining this crucial link.

Bottom line communication needs to be improved and that this suggestion is for us personally because no one else will do the work.

3. Workshops on general topics of AA could be a solution to making GSR position attractive getting information people.

4. Suggested that at group level meetings that "service sponsors" can be identified in the same way sponsors are identified in meetings.

5. Encouraging others to step up as an alternate GSR and the ongoing challenge in doing this.

- Attraction rather than promotion
- One on one connection in approaching members in follow up to an announcement at a meeting for those that are perhaps introverts.
- The transition from the old to the new is so important in creating a smooth transition but also allowing the new person to establish some confidence in performing duties that can seem so scary in the beginning. PASS IT ON.
- Passing on our service commitment to the next person is the same as passing on the message of AA. Just another way of "giving it away".

6. Learned that there is no stupid information when communicating to group.

7. Need to find balance between holding people responsible for their position without making them so scared that it becomes a negative thing.

8. The balance of service and life require us to practice the 12 steps.

9. Step out to other meetings, get out, share your service excitement.

10. Continue to attend group conscious and participate even when service position may end to help promote the excitement and that it works.

11. When we finally get it we are done with our service position.

Area Treasurer Mike our facilitator emphasized that these suggestions and comments are for us. We are submitting this information to the AREA but we are the ones that need to initiate the change we want to see, once alcoholic at a time.

Aloha Budget Assembly attendees!

Since the Inform the Delegate Assembly last April, the following events took place in our district;

- On May 5th, our district with the help from Central Office and approval from our current Public Information Chairperson, we were able to staff an AA Information Booth at the annual TCOYD's Health Convention at the Hawaii Convention Center. The event annually draws around 1,200 attendees.
- On June 9th, I was able to represent our district by participating in a Traditions & Concepts themed meeting during Founder's Day hosted by Oah'u Central Office.
- At our June district meeting, our district welcomed a new GSR from the Kane Ali'i Group.
- June 23rd, the Honolulu, Waikiki and Diamond Head Districts again, co-hosted the annual GSC Report Back by our delegate, Bob H. This event was attended by 18 members including 3 past delegates
- On August 11th our district hosted our much anticipated 7th Tradition Workshop. The four panel workshop was attended by 20 members including the current and past area delegates. The event was also attended by members from Northern California that shared their experience on the tradition of Self-Support. As DCM, I will never forget how our GSRs got together to suggest, plan and serve to make this workshop possible! A full workshop report is found in the August 2018 issue of the Mynah Bird.
- And last but not least, our district held elections at our September district meeting as suggested by the service manual. I am happy to report that all positions; DCM, Alt DCM, Treasurer and Recording Secretary have been filled by our current district trusted servants! Thank you to the Hilo/Hamakua District for for your last minute efforts to reschedule and make this assembly happen! Joey C/DCM

District 03 Leeward, Oahu Joe V.

District 3 is searching for an assembly location for upcoming Orientation Assembly set for the 12th and 13th of January 2019. Tentatively we have made arrangements with Waipahu High School. Will know for sure the first week of October and if approved will provide flyers at upcoming elections assembly. Have caravanned this past month to two meetings. Sobriety Buss in Waipio and Head Start in Pearl City. Even though participation is sporadic the groups all seem to be healthy. Valarie, Wolf , Mona , Jerry and myself were in attendance the past district meeting. Morgan and Cynthia checked in via phone. This Assembly has inspired an idea of providing a concept workshop in the upcoming weeks. Mahalo District 7 for this beautiful venue. May the love of the fellowship flourish. Yours in service, Joe V

Aloha,

District 5 has about 30 groups and we get about 5 GSR's to the monthly District meeting. We have 3 of those GSR's present at today's assembly. District positions that are actively filled are: Hospitals, CPC, Treatment, and Remote Communities. Open positions are Secretary, Archives, Corrections, Grapevine, Cooperation With The Elder Community, and Public Information. After our September District meeting we held a district inventory. We have not yet reviewed the inventory data as a group or come up with action items as a result. We will probably discuss this at our next meeting. Our elections are being held at our next meeting Tuesday October 9th.

In Love & Service,

Brandon

District 06 Kauai, Kauai Steve Q. (Reported by Brian K.)

Thank you Navin and all of District 7 for hosting today's assembly...Here is what Kauai district 6 is doing to carry the message...At today's assembly, we have 5 GSR's, our CPC committee chair, and our intergroup chair...

Our west side Waimea canyon group which some consider to be in a remote community has a new GSR that has brought a fresh enthusiasm to the group and its small membership has doubled with those attending on a regular basis stepping up and calling the meeting their home group. They are taking steps to rebuild the relationship with the hospital community through Public information and Cooperation with the professional community.

The Hui Lokahi men's group has recently moved into a bigger facility due to the 30-40 members that attend on a regular basis.

Our Sunrise sobriety group in Poipu who is known for their taco breakfasts where they serve cheeseburgers is holding a men's retreat at the end of October at Malahapu beach and will be using the 12 steps as their topic for the weekend...

They will also be hosting their annual New Years eve alkathon, a tradition for many years on the south shore.

The public information committee is hosting a gratitude luncheon November 10. This is an event that encourages our home groups to reserve a table of 10 seats, with each group inviting a member of the community, recognizing their relationship with AA on the island in carrying the message of recovery. As of today, there are 5 groups involved, totaling 50 members that will attend, including the invited members of the community.

The Hui O' Hana group is holding elections next month and has implemented a two year time frame for the commitments of the officers, their GSR, and alternate GSR, and 1 year commitments for all other service commitments. They are also at the final stage of the process in which they looked over, and are updating their structures and guidelines for the group.

I want to thank bob for acknowledging the Happy Hour group's proposal that made it to the literature committee in New York. it proves that even the smallest groups have an important voice that is paramount, and above all else in our service structure.

Finally, district 6 held a speaker jam in August that invited 4 speakers with different lengths of sobriety from around the island to share their experience strength and hope, in which food was served to the 45 people in attendance.

District 11 Kihei, Maui Betsy B.

1) We have 9 active groups with GSR's in Kihei... including a new GSR getting active and involved right now. She reminds me how to be a DCM!

2) Held a workshop about the Spiritual Principles of our Program. 110 people Attended for the Pancake breakfast... 90 folks stayed to the end to discuss which S.P. 'S they choose to live by in sobriety. Skits, fun, fellowship!

3) We have District elections in November in Kihei. We have established a new District standing committee to provide 12 step outreach to young people on Maui. And a lot of alkathons ahead... best of all, we have another crossing where we camp out and carry the message of hope and recovery to an outer island in Maui County. Next crossing is to Molokai October 26. DCM has expanded my comfort zone... I'm very grateful for the privilege to serve in AA. I didn't think I would stand for this... I ended up at a forum on the big isle, and I made a U Turn into DCM. I am so glad I did!

What the Cooperation with the Elder Standing Committee did to carry the message of Alcoholics Anonymous

Mahalo to Hilo/Hamakua District for being willing to host our delayed Assembly. Mahalo to Oahu committee members who got information about the Senior Health Fair on Oahu. Unfortunately because our Assembly was postponed, I didn't have a chance to meet with members on Oahu to staff the event. I have kept the information that was gathered and I sent an email to the contact person saying that we would be interested in receiving information next year – I will forward any information that I receive to the Panel 69 Cooperation with the Elder Community chairperson.

I have requested a table for Alcoholics Anonymous at the Maui Senior Fair. We participated last year and will again this year. Those who staffed the table felt it was a worthwhile effort. I have sent copies of our CEC workbook to a couple of Areas that have requested it. The Accessibilities Coordinator (CEC is part of Accessibilities) is requesting shared experience in how committees and members are carrying the message to alcoholics in underserved populations or remote communities which are difficult to reach because of accessibility or culture – the Elder Community often falls in this category. Deadline is November 15. Although not officially a part of Alcoholics Anonymous, I continue to receive information about the Seniors in Sobriety conference and will forward any information to the next CEC chair – the next conference will be in May 2019 in the Reno/Sparks area. Mahalo for letting me be of service

Corrections Lorna S.

Howzit Everyone, Time's a ticking...the spirit of rotation is coming up around the corner and my term of serving as Corrections chair will get passed onto the next lucky member. It is because a clear path has been established within the Hawaii Area 17 service committee for those trusted servants who come willingly. It has been truly a privilege to have served in this position. Also a super fun way to grow up in sobriety. Thx. . On the other hand we have had accomplishments, special projects, and will still ongoing projects during panel 67. Lets not forget that we (all island district chairs) also discovered many hiccups along the way. Progressing in our recoveries by learning and practicing our traditions and concepts of A.A. Take a look.

- Achievements **2017 was the first year Corrections Committee chair selected by Area officers. Clarity is the gift. **A resuscitation of Puna's district 12 corrections committee. Dormant for years. They are on fire!!! **An Area 17 corrections Resource folder was created to inform, introduce and inspire and passed out to all active Round table members/ District committee chairs. In it, history of correctional services back in 1941 San Quentin, copy of 2016 Proposal to dissolve, inmate Pre release and correspondence forms. GSO guidelines for Corrections Chairs & Cooperating w/ Court,,DWI & similar programs. Most of all a current list of active AA volunteers and a list of Statewide correctional facilities address and contact numbers serviced

by AA members. Correspondence information and pre released connect pamphlets. Pen pals
**Area 6 sent 13 incoming members into Area 17 using “bridging the gap” program. Our Round
table members on all islands stepped up to connect incoming member with local AA meetings
and inter-groups. Don’t forget our local “bridging the gap” that helped those interisland. **A
super wonderful accomplishment is the great rapport Alcoholics Anonymous has with
correctional facilities statewide. Agnes & Bruce \ Kauai Librarian \ Chaplin Mike \ Alexia.

- Special \ Ongoing Projects.

***Sharing a common idea to active coordinators/chairs the importance of establishing a clear
path for the next member wishing to do service by connecting with a district(s). Maui
coordinators now sends an activity report to all 3 DCM’s which has lessen the struggle to
connect AA members willing to serve and committee. Oahu still has a huge struggle based on
connecting members willing to serve with “a go to person” on district level. Where is our
willingness (Oahu) to create a clear path for those to come seeking to do service. Brian S
stepped up to do his best to fill that position.

**Flyers (were and) are available for members how to get into service and a call for volunteers.

**Hawaii Youth correctional facility: we have not been able to take meetings in just yet.

- Highlights

**I had the opportunity to attend the 2017 First National Corrections Convention held in Nov.
2017. I was privileged to bring back a wealth of information on “informative speaker CD’s.
Sharing common hiccups including how to recruit volunteers, how to start meetings in facilities,
Judicial speakers, what if we’re the only show in town with much, much more. All will be passed
on as committee resources. The 2018 Convention flyer is available on the table. --Both round
table & district chairperson/ coordinators have a contact list available to exchange ideas and
solutions with each other island-wide. Great for communicating when the committee unifies their
voices as one. **2018 we have been given a green light to hand carry AA tiny big books/12x12’s
directly to inmates recently. On Big Island, Maui and Kauai. Not confirmed in Oahu ***“Let’s
Cultivate our Sources” May 19,a Team effort workshop held in Puna. It was a success.
.Members wanted and needed to see a clear path of service in Area standing committees who &
what we do. Super fabulous :)! Let’s do it again.

- Hiccups:

With the many changes in government departments re: relocating OCCC, and taking literature
into the jails. We were at pause at times but pushed through. “we paused for a minute” and we
just had to be patient”. And so we continued with a single of purpose.....and kept carrying the
AA message to those still suffering behind bars. Then back in April 2018 we were given the
green light for pocket size to be given directly to inmates.

Oahu members who go into the jails in the name of AA. still needs to find a reason to unite. For
the purpose of our newcomers that seek to serve this special type of service. If not for the
newcomer, then for those who get burnt out with no one to fill their place because a clear path
cannot be found. My last attempt to ask servants please unite together somehow, somehow.
Thx.

All islands were impacted as we were slowly making progress bringing AA literature into jails.
Time was key. Patients was the gift in the end.

OverallHawaii Area 17 may have hiccups, and disconnections about the Area, yet AA meetings and literature are currently getting taken into our County/State/Fed facilities. Thanks to everyone who gave of themselves to make this service panel a wonderful team. Our hope is to reach & serve Hawaii Youth CF soon.

Thank you for letting me be of service, Lorna S. "Meke aloha e Pumehana"

P.s. I am ready to turn all CD resources, contacts and Resource folder to the next chair.

Grapevine Kelly S.

Grapevine provided materials to HICYPAA in Maui.

Our Grapevine challenge is going very well, we have 76 new subscriptions our challenge is 100. With the holidays coming please consider purchasing a subscription for a sponsee or sponsor, provide as a raffle at your district holiday parties.

Attended rural caravan to Oceanview this past Tuesday.

Provides copies of the Grapevine to meeting chairs to provide to members.

They expressed Gratitude that we continue to bring caravans to the Kau area and provide literature.

Grapevine has just mailed One Big Tent newest book.

This shares stories of Atheist and Agnostic stories from our members.

I know several of you have been waiting to order.

Continue to pass on your old subscriptions to new members and offices that you are waiting in waiting area.

It is a easy great way to carry the message of Alcoholics Anonymous.

It has been a privilege being Grapevine Chair, I look forward to these last few.

Thank you Nivan and the Hilo/Hamakua District #7 for hosting this Assembly.

Issue #11 of our Mynah Bird has been distributed. We have one article but there are two Workshop summaries, a reply from GSO to Happy Hour Group of Kauai District #6, and a great PI Flyer. There's also the usual Word Search puzzle.

We have one more issue of the Mynah bird to publish for this panel and if you were wanting to write an article but haven't done so yet the deadline for the last issue is Saturday, October 13th. One week before the Elections Assembly.

Please submit your articles via email to mynahbird@area17aa.org.

Thank you again for allowing me to serve.

Website/Webmaster Valerie V.

Aloha All,

I hope you are all well. KUDOS, to Hilo Hamakua for their ability to be fluid in the scheduling of this Budget Assembly. I did my best to get all the information on the website for your viewing. I was traveling for the last 2 weeks in the United Kingdom, specifically Scotland and Ireland. I apologize if you tried to contact me, it is an 11 hour time difference between here and there. I have started the set up for the Election Assembly and have the phone number set up to contact Bruce. As soon as I receive the flyer today, I will finish setting up the calendar. We will be setting up the calendar for the January Orientation Assembly soon.

I have enjoyed being the webmaster for the last 2 years and have learned a lot. I wish to let you all know that it isn't as difficult as you think and I have taken copious notes. I hope that you will step out of your comfort zone and volunteer for the position. I would remain available for help and training.

In love and service
