

**HAWAII AREA 17
CHAIR REPORT

Aloha Panel 69 trusted servants,

So exciting, it's time for panel 69's first inform the delegate assembly. I hope everyone is feeling informed and ready to bring there homegroups conscience to AA as a whole. I believe this is the true moments when the upside down triangle in our service structure works at it's best. Our homegroups big or small has a big part in making the important decisions for our AA society as a whole. It has been a quick few months to get the conscience of our groups, districts and our AA members in area 17 and I thank all of you for working so hard to get our delegate the best information from our area to take to the general service conference.

Since the orientation assembly:

According to the Structures and Guidelines relating to the area chair's responsibilities are:
