

**HAWAII AREA 17
CHAIR REPORT
Committee Meeting
November 16, 2019**

Aloha and welcome Panel 69 trusted servants,

It has been a few months since our August 2019 Budget Assembly. I hope all is going well and service is blossoming. I appreciate all the hard work by our Standing Committee Chairs and I am excited to attend the treatment workshop organized by our Treatment Standing Committee Chair, Brian A. I am also excited to see more Standing Committee Workshops throughout Area 17.

Thank you to the DCM's for keeping your home groups informed and asking them for suggestions on inventory questions.

I have been attending West Hawaii District 8 District Meetings and West Hawaii Central Office Business Meetings to help support and ask how Area can help. I am always available by phone and/or email (chair@area17aa.org) for any questions on how Area can help or attend any functions to help support any District group or Standing Committee.

I look forward to having a productive committee meeting with you all.

Please remember;

- **To check your area e-mail often for this will be our main avenue of communication.**
- **And like last years panel I am planning to end all committee meetings (Saturday) and assemblies (Sunday) no later then 3:30 pm, so please book return flights accordingly.**

I am so looking forward to the next 14 months of panel 69 to grow and prosper in the fellowship with all of you.

In love and service,

Tommy G.
