Officers reports -

Secretary- last committee meeting minutes were accepted

Treasurer- Will be looking into SW points. Eric moved to accept, second by Roxanne passed. Report on the web site.

Registrar- Aloha and welcome to Kihei District 11. Since the January Orientation Assembly, I have completed the following tasks:

1. Entered all the complete change forms that were handed in at the Orientation Assembly. There are a few that I am following up on that were missing pieces of information or were not completely legible.
2. Assigned groups that did not have GSR's at the assembly to committees. I only assigned groups that had contact information. I did not assign groups that were listed as "unknown" in the GSO data base.
3. I updated the sign in sheets for all – officers, DCM's, GSR's, Committee Chairs and Central Offices where possible. I will continue to do that as I get information on new GSR's etc.
4. I updated the Confidential Contact List.
5. I created GSR Standing Committee assignment lists, both by committee and by district. I emailed the committee lists to the appropriate committee chair.
6. I attended PRAASA and attended one of the Registrars Round Tables. I didn't gain any new information, but I did get contact information from other registrars in the Pacific Region that may prove helpful in the future. I will have change forms available at this committee meeting for anyone who needs to make changes in the data base.

Thank you for letting me be of service. Karen Nelson

Alt Delegate-

Alt Chair- Aloha my name is Deborah S. and I'm an alcoholic. I serve Area 17 Hawai'i as Panel 69 Alternate Chair.

According to Hawai'i Area 17

A. Perform the duties of the area chair in their absence.

In Tommy's absence I attended the Pacific Region Alcoholics Anonymous Service Assembly (PRAASA) held in Irvine, California. I purchased the Assembly Recordings and organized our Area 17 PRAASA photo - thank you Kunane for letting me know that it is typical the Alt. Chair handle these items of business for the area while at PRAASA. Also, I attended the Round Table for Area Chair & Alternate Chair and Wrap-Up Meeting.

The 2019 PRAASA Theme was "Our Big Book - 80 Years, 71 Languages". Languages interpreted this year were (for the Deaf, Japanese and Spanish.

Janice from Kauai served as a Panel Moderator, Kunane shared on the topic "Reaching out to minorities in A.A."

At the Mic was Julie (Maui) sharing her view point about the 15,000 Spanish speaking members on Maui and her hope to enlarge the Spanish speaking community with Spanish speaking meetings. Also, at the Mic Matea (Kauai).

Some jewels I took away from the Assembly were: A moment of silence is (an) all inclusive (prayer), Politics in A.A. is a safety issue too, how can you communicate with a deaf person who shows up in your group? With a handshake, you can communicate with pen and paper and texting. Safety in A.A. reminder - we don't cloak violent and/or bad behavior, "by survey alone we are not reaching the minority; the "other" group; a hand-shake is appropriate unlike a "welcome" hug especially to a new comer. Is the singleness of purpose being lost in the guise of "love and tolerance?"; In Japan, they still use nicknames to maintain anonymity such as "Mr. Coffee" the coffee maker.

I attended the Wrap up meeting that I might get a sense of the committees post assembly thoughts on their work and what kind of information they pay forward to the next year's team - Arizona.

B. Arrange meeting places and hospitality for all Area assemblies and committee meetings.

DCMs 12, 9 and 4 will report on their planning schedule for the upcoming assembly April 27-28 followed by a committee meeting June 15th followed by the Budget Assembly August 24-25 followed by a Committee Meeting in November 9.

Registration deadline for Inform the Delegate assembly is April 13. Lodging will be on your own after April 13th deadline except for extraordinary circumstance. District committee members carry this message back to your district General service reps. April 13 deadline is posted on area website

C. Serve as a member on the finance committee: I have dates already set-aside for me to visit districts 4, 9, 17, and 3 to do a budget presentation after the June committee meeting.

D. Serve as a voting member on the Hawaii Annual State Convention. I attended our last meeting held on Monday, February 25. I took 700 business cards to PRAASA laying them at the information table and other tables throughout the

event, I intended to announce it at the mic, but time ran out before I could get to the mic. (shucks). Thank You Aaron (D10) for writing AHC 2019 on the bulletin board.

E. Serve as temporary group registrar, recording secretary, or treasurer if any of these officers are absent: In Mr. Secretary Eric's absence I will be scribing the Inform the Delegate Assembly. Please email me your reports prior to the assembly. I will post the annotated minutes Sunday immediately following the assembly using the agenda as my template.

Thank you for allowing me to serve, Deborah

Chair- Aloha and welcome Panel 69 trusted servants,

I am truly grateful to be elected and serve as Panel 69 Area Chair. Welcome to our first assembly of Panel 69, our Orientation Assembly. I am so excited, full of fear and humbled by the opportunity this program has so freely given me and surely ready to give freely back.

At our last assembly of Panel 67, the Election Assembly, the officers and the body gave some great ideas of how to inform our area's trusted servants better.

Here are some goals for our Orientation Assembly:

- **Orientate our GSR's:** Help them to inform their Home Group the best they can and help support their district.
- **Communications:** Support our DCM's to have a clear conduit from Home Group to Area and out to GSC.
- **Standing Committees:** Inform GSR's on why and how we select standing committees for them; help the Standing Committee Chairs utilize the GSR's as liaisons to their district; support Standing Committee chairs, for committee work is our direct communication to those who still suffer.
- **Our Three Legacies:** As trusted area servants, use the Three Legacies – RECOVERY, UNITY AND SERVICE to fulfill our primary purpose – to help the suffering alcoholic.

I look forward to serving the next two years as Area 17, Panel 69 Chair. In love and

service,

Thomas P. Gouveia III (Tommy)

DCMs-

Aloha, here is the DCM Roundtable report

All DCM's were in attendance except DCM 6 from Kauai.

Patti from Dist. 9 talked about hosting the budget assembly. This is the second assembly in a year. They are still looking for a location and are considering having assembly in a different district. There was a lot of expense for the last assembly they hosted and need to keep the costs down for this one. Will have a flyer ready at the next assembly and might have to put TBD for the location.

There was discussion about how to find standing committee chairs for our districts. Suggestions were to start at group level. If there are certain types of meetings such as elder, young treatment.... go to those meetings and ask people face to face. Go to a lot of meetings can appoint people invited people from Hicypaa.

Discussion about having a deadline for registration for assemblies to help the host district. Don't want deadlines to deter people from coming but need to make it easier for host district. Need information for homestay and registration to Encourage GSR's to register for assemblies. Ask at district meeting who has registered and have flyers available.

Discussion about churches that require insurance for meetings. some groups are shutting down due to insurance requirements. Intergroup can't support it due to lawsuits. Can insure meetings for \$300 a year. District 8 is covered by intergroup policy. Districts can be covered for \$309 and covers district meetings and events. Groups that have multiple meetings but only registered as one group share the insurance umbrella. Heard at PRAASA was too many meetings and not enough groups and this can cause financial hardships for groups

Aaron DCM 1 will email the list of names for insurance companies that will cover meetings. Some companies that will insure are Greater Insurance and Recover Source.

Holly motioned to adjourn the meeting and Patti seconded

in love and service

Intergroups- absent

Area officers-

Discussed Praasa expenditures

- a. alternate have larger responsibility
- b. cover cost to Tommy as he was unable to attend feel we should cover his Room as cost was covered by Deborah sharing room with colleen

Verizon- Cost for Verizon hotspot will quadruple our budget felt it was not worth it

Committee meeting registration-talked about how to make registration process available for Assemblies kunane will be looking into fees for this how do we distribute funds if we do this

Web - Aloha Everyone and Mahalo to Kihei District for this divine meeting space. The website is alive and well and I hope that I have gotten everything up and running.

I understand that some of you have had a problem with figuring out the password for the Committee registration. I wasn't able to give you the instructions at the Assembly so I am going to let you know the process now. A little bit of background on why we password protect it is that we were getting a lot of random pornographic registrations from people not attached to our area and last panel we decided that password protecting would be the best way to stop the garbage. Anyway, the passwords are always based on our Big Book. The hints will apply to things we hear in the meetings usually applying to the steps. If you have any questions, you may reach out to me at any time at webmaster@area17aa.org or you may call me at (808) 341-8695. I will let you know what the password is for June at the April Assembly.

Going forward, I am always open to suggestions or additions to the website. I am always looking for photos to put on the header and I am continuing to look for an alternate web chair. This is my second panel and there are term limits. It would be easier to start training the next web chair now, so if you are interested please see me or call me.

Yours in service,

Val V. – Hawaii Area 17 Web Chair

Archives -

We have 11 members in the Archives Committee for Panel 69

The purpose of having Archives is to record Area issues as they occur so as to be useful to future Panels.

Panel 69's specific goals & objectives are:

1. Complete the digitization & redaction of the past Area paper archives & keep current
2. Make online archives Google-type searchable
3. Possibly add a "Did You Know...?" column to Myna Bird about Area 17 history
4. Explore ways to create audio histories like NPR StoryCore stored on Area website

As Chair, I've contacted all Committee members by email prior to this Committee meeting and intend to do so by email & phone prior to April 15 for the Inform the Delegate Assembly.

Cooperation with the Elder Community-

working on a CEC pamphlet adapted from the San Diego CEC committee.

created an information sheet about district committees on Maui that collaborate, meeting once a month. They distribute the 12-question pamphlet and meeting schedules to senior centers, senior housing, hospitals, clinics, libraries....

CPC Chair Report-

Aloha. My name is Brian and I am an alcoholic. I am honored to serve panel 69 as your area CPC Chair. Thank you to District 11 for hosting this committee meeting and mahalo to all those in service to make this event possible. As stated in our area 17 structures and guidelines the basic duties of my position are to “share information about the A.A. program with professionals who have contact with alcoholics, furthering mutual understanding and cooperation”. I would like to share since our orientation assembly there has been some activities within the CPC community thanks to some of our members who have found a passion for this type of outreach:

The Medical Association Conference scheduled for July 27-31 on Oahu that I briefly discussed at the Orientation Assembly is moving along. I have been in contact with Jacob Diaz at GSO who has been guiding me along the way. Lee J. who is a home group member of 12 Coconuts has stepped up to be our Oahu contact for this event. We are still months away and am waiting on more details to be provided by GSO and will keep everyone informed. The literature and display rack will be sent about a month before the event and Lee has volunteered to receive this and hold until the event. We will also be working together on a schedule of volunteers as we get closer to the date.

As previously mentioned, I have reached out to the UH school system and have received confirmation regarding their willingness to cooperate with our fellowship in terms of providing literature racks, doing presentations, and holding meetings on campus. I have a list of the contact persons from each school and rather than trying to micro manage all of this I would like to provide those contact names to the districts and you guys can figure out how best to move forward. Of course, trying to do it with some kind of organization would be best so that as a fellowship we can move together in unity. I am willing to help out in whatever way is needed. See below:

Thomas Doi, Interim Vice Chancellor of Student Affairs

UH Hilo

Farah-Marie Gomes, Vice Chancellor for Student Affairs

UH Manoa

District 4 has already begun this process with Windward Community College by starting a meeting and is in the process of getting an information rack on campus. I would like to thank Janin and her homegroup Misfits for stepping up and making this happen. WCC has also started a student group focused on recovery which is separate from our AA meeting but working hand in hand to reach students within the school who have a desire to stop drinking. This is a perfect example of one member having a passion for something and through the guidance of her sponsor, support from her district, her home group, and the fellowship at large was able to make something happen out of nothing.

Hawaii Area 17
March Committee Meeting
Hosted by Kihei District 11
Saturday, March 9th, 2019

There was also some discussion that UH Hilo might have a meeting on campus but still need to confirm this.

District 6 Kauai has initiated contact with Kauai Community College and received permission to place an information rack on campus and to start a meeting. We are still trying to find a home group willing to sponsor this meeting and will move forward as soon as possible. There is also discussion of doing presentations to both students and staff and am working with the Vice Chancellor to set this up. The District CPC chair, Chris K., has also been working with the Kauai Veterans Memorial Hospital to create some connection there as well. Will keep you posted regarding any progress. We have also reached out to the Grand Hyatt and Kauai Marriot to see if they would be willing to allow some presentations to the staff and employees. We are also trying to gauge interest with the Kauai Chamber of Commerce and different business associations on the island to provide information to them as well. Finally, am trying to find opportunities to present information to the Kauai Rural Health Association which is made up of health professionals on the island.

Would like to continue to encourage DCM's when you are settled in to your new roles to have your CPC people contact me so we can help each other do whatever they are passionate in doing. I want to thank the following people for reaching out to me:

Jeannie G.- DCM District 8 for connecting me with her CPC chair Rebecca D.

Jacob P. - DCM District 10 for reaching out regarding CPC work and also Lee J.

Bill M. – DCM District 17 reached out informed no CPC person at this time

Holly K. – DCM District 12 waiting to see how to cooperate

Brandon – DCM District 5 waiting to make contact with district CPC chair

John M. – DCM District 4 working with WCC.

Have also received a few requests from other members and past delegates to be involved with upcoming Medical Association Conference so mahalo to all of you as well. Sorry if I missed anyone.

In closing would like to just say it has been an honor to be in service these past few months as your CPC chair and realize more than ever the power of service and more importantly having a servant heart.

Mahalo,
Brian K.

March Committee Meeting
Hosted by Kihei District 11

DCMs-

My name is Aaron, I'm an alcoholic, serving **district 1** Diamondhead.

Our district has about 21 active meetings.

We were off to a rocky start with group participation. Having only 2 GSRs we've doubled in size with 4 GSR's at current. All are eager to see what they can do for the fellowship. In the beginning we hosted a sobriety 101 meeting, which was a success with about 50 alcoholics including 7 speakers. This allowed us to include 5 newcomers to get into service and several members with time from various groups to step up and make this event happen. While our GSR's are anxious to put on another workshop already, I've suggested we put together an ad-hoc committee to find out what would be most important to present as far as topics go.

in the mean time I've suggested we focus and discover what we could do for our assigned committees, we'd like to get on the same page as the rest of area 17

our district has also been on a fact-finding mission to get affordable insurance to the groups meeting in churches. Some of our groups haven't been able to afford the million-dollar policy for 300 dollars being required of them, as a result meeting are closing down.

I recently attended PRAASA and brought back some really useful information to carry to the groups.

We are looking to the future to bring back the Alkathon to our district, our little entourage is pretty squirrely, so there's no telling how much well accomplish during panel 69, but as it stands, prospects are looking pretty well. Most importantly We are reaching out to more meetings, and people are becoming interested, I suspect well be picking up a few more GSRs. Thank you for being a part of my sobriety.

We had 7 gsr's & 2alt. gsr's attend our last district meeting. A few gsr's are excited to serve our district & AA as a whole. I will be asking for help to reach out to groups that aren't participating. Upcoming events. More details coming soon. Our next district meeting is next Thursday.

Aloha,

Thank you Kihei district for hosting today! **District 5** along with the other districts on Maui are co-hosting a PRAASA Report Back on March 30th at the Cameron Center and also have the Delegate Report Back scheduled for June 22nd at the Cameron Center. District 5 has about 4 groups represented by GSR's right now. We currently have an alternate DCM, secretary, treasurer, hospital chair, treatment chair, and a new CPC chair. I was able to attend PRAASA for the district and a fantastic experience in Irvine. I am pleased and excited that we were picked out of the hat today to host the 2020 inform the delegate Assembly. See you all in Lahaina in April for the next assembly!

Brian K reporting for **DCM 6** Janice

We have some great events coming up:

- we are working on having one event a month to foster unity and fellowship
- St Patrick's Day potluck celebration and meeting on south shore
- PRAASA report back in April
- Women's retreat in May
- Founders Day in June
- Still working on getting the standing committee chair positions filled
- we have a new GSR on the north shore for a group that hasn't had a GSR in years
- Grapevine workshop in May
- GIGYPAA had a 12 step 12 tradition speaker meeting today
- created a list of open committee chair positions with a description and example of each position, made copies and have been handing them out and announcing at different meetings. That way if anyone's interested, they can have a better idea of what each position entails.

DCM Report for Committee Meeting
West Hawaii District 8
03/9/2019

Aloha Everyone,

District 8 is alive and well! We have an average twenty-five to thirty people in attendance at our District Meetings. We meet every third Friday of the month and all are welcome. We currently have twenty-one West Hawaii Groups represented by GSRs along with five Alternate GSRs. We have all eight of our Standing Committee Chairs in place and they are already out in the community. We have been very busy supporting our GSRs and the Standing Committee Chairs to see that they get what they need to get the job done.

We are very excited about the turnout we had for our five-hour Secretary Workshop in February!! We had at the very least 75 members in attendance! It was a huge success.

- We invited anyone who might be thinking about becoming a secretary, already a secretary, or longtimers who were willing to share their experience, strength and hope. We also reached out to the other two districts on our island, to Roxanne, the DCM for Hamakua/Hilo District 7 and Holly, the DCM for Puna District 12. They both showed up with members from their district. How cool was that? Our goal for the Workshop was to help Secretaries understand their role, duties and their responsibility in upholding the 12 traditions, since our meeting formats are based on the Traditions.
- We had a speaker that talked about the spiritual aspects of being a secretary and also the duties that go along with the service position. We had a Panel Discussion on the Secretary's Function, Preparation, and the Conducting of a Meeting. Lunch was provided by District, and a member, who is a real Chef, did all the cooking. After lunch we continued the Panel Discussion using the topics in the "Safety and A.A.: Our Common Welfare" leaflet put out by GSO.

Hawaii Area 17
March Committee Meeting
Hosted by Kihei District 11
Saturday, March 9th, 2019

- The play titled, “AA Meeting Run Riot” - a comedy of errors, was a hit as well. The setting was an A.A. meeting where they had no real need for the Traditions and ended up realizing they do need the traditions in running an A.A. meeting. It was a comedy of errors! We ended with an Ask-it Basket.
- After having our Safety Workshop last December and seeing how great it was, we only wished we had someone reporting the happenings. Well, we have learned from that! We had a member taking notes at the Secretary Workshop and if you wish to see a copy, I can email it to you.

Last weekend myself and a few others from our district had the privilege of attending PRAASA, the Pacific Region Alcoholics Anonymous Service Assembly. I attended two years ago as a GSR and that just set me on fire. At that time, I had no idea where my involvement in General Service would take me! This year’s PRAASA was no different. I was amazed at how, at times, my emotions were swept away...from laughter, to chicken-skin, to tears in my eyes, all from a place of gratitude! Most certainly a powerful event that exemplified gratitude in action!

I am so lucky to be surrounded by amazing trusted servants in our District! They too have such big hearts for service. I am so thrilled to be a small part of the greater whole.

In love and service,
Jeannie

Pati M, DCM District 9 Report

Our District met the 3rd Tuesday of February. We discussed possibilities for venues for August Budget Assembly. A few days before each District meeting, I send out a text as a reminder and ask GSR’s, Intergroup Rep and HYCPAA Rep to bring a sponsee or a friend.

We discussed new GSR’s experience with the Orientation Assembly.

We have a new Women’s Step Study meeting that meets Tuesday nights at 6 pm.

Once we have our venue squared away for the Budget Assembly, we would like to host a workshop.

I attended Intergroup’s business meeting with an Intergroup Reps from our District. They voted in a new chair, voted on their budget and Adina announced that she would be happy to be a mobile bookstore for Districts if there is a need for literature.

I attended a few meetings in my district that don’t currently have GSR’s.

I ask our GSR’s to get the word out for a couple of groups that need support.

I asked GSR’s to mention our Standing Committees to their groups and the need for support. If members are interested in any of the groups have them contact me and I can get them more info.

Here is the DCM report for **District 11**

Kihei district has 7 GSR's and 2 subcommittee chairs. We have had 2 district meetings and was well attended. Invited people to attend district meeting and 2 showed up. Had a past delegate do a presentation about General Service at our last district meeting. Seemed to help the new GSR's. Some of the GSR's are very new and I am always available to help.

We had 5 people from our district attend PRAASA. I will be sharing my PRAASA experience with the district with things I heard at PRAASA via a poster board with all the sayings on it

Our district worked really hard to host the area committee meeting and we are glad you all came.

Waianae District #17,

Since our last report to the Area Committee we have conducted two (2) district meetings with favorable representation from groups with the primary district committee member positions filled (DCM, Alt DCM, Treasurer and Secretary).

We are in the planning stages to schedule a "Delegate Report Back Event" at Pokai Bay on July 20, 2019 (confirmed with Delegate). We plan to invite other districts to the event. A flyer with details will be finalized at our next district meeting scheduled for 3/14/19 @ Waianae Satellite City Hall multi-purpose room at 8pm. All are welcome.

PRAASA was an informative and exciting event. I will report to my district this experience and information gathered at the Area Committee meeting (3/9/19) at our next district meeting.
