

Area 17 Panel 71
February Committee Meeting
Alternate Delegate Report
February 21, 2021

Aloha Area 17, Panel 71 Trusted Servants,

Thank you for being a part of my recovery. This past month has been exciting in working with our delegate and getting our agenda topics out to our Area for the 71st General Service Conference. Thank you for all your hard work.

Per Instructions and Guidelines, 2.7 – Alternate Delegate Duties, grateful our delegate hasn't been in absence and grateful to help with his duties, maintaining our GSR's handbooks and S & G's and looking into a DCM handbook, helping out GSR's and DCM's as much as possible, work on any ad hoc committees and appointed by our Chair, serve as a member on our AHC Steering Committee and a lot of exciting things happening there and will be ready to act on actions accepted by the Area Assembly.

I want to thank Panel 71 Area officers for being there and working hard to inform Area 17 on AA World Services. I look forward to today's committee meeting to bring our Area's collective conscience to the General Service Conference.

In love and service,

Tommy G.
