## Inventory Assembly Delegate Report

*January 23, 2022*

GRATITUDE

GREAT... BUT CAN YOU SCRATCH BEHIND YOUR EAR REAL FAST WITH YOUR FOOT?

# 1955 Conference

In the years ahead we shall, of course, make mistakes. Experience has taught us that we need have no fear of doing this, providing that we always remain willing to confess our faults and to correct them promptly. Our growth as individuals has depended upon this healthy process of trial and error. So will our growth as a fellowship. Let us always remember that any society of men and women that cannot freely correct its own faults must surely fall into decay if not into collapse. Such is the universal penalty for the failure to go on growing. Just as each AA must continue to take his moral inventory and act upon it, so must our whole society do if we are to survive and if we are to serve usefully and well.

“Not one of us is given a torch big enough to lead the drunks of the world out of the darkness and into the light. Instead, each one of us have been give a candle that burns for a short while with a flickering flame. If we stand together, the light will outshine the greatest torch. If we argue and bicker and blow at each other's candle so that each of us starts shielding our little flame, then the alcoholics of the world will continue to suffer in darkness, and so will we.”
