I attended PRAASA, but did miss the Technology Workshop that was held Friday night, and not repeated Saturday night as I had hoped. I really enjoyed seeing and hearing the representation from our area.

I have continued with my responsibilities of administration of website and support for area email accounts, and everything is working smoothly.

I set up two paid Google Voice accounts to provide phone numbers for assembly and committee transportation.

I will be attending my first area event in person at our Hybrid Spring Committee Meeting, and look forward to seeing some of you in the flesh for the first time in a long time!

Grateful to be of Service,
Sean C, Area Website Standing Committee Chair
