

ALTERNATE DELEGATE REPORT

Aloha Jeannie, Area Chair, Hawaii Area Committee Members, General Service Representatives, Area 17 Past Delegates, and guests. Serving as Alternate Delegate, my name is Deborah S., and I am happy to be with you this weekend for our Area **Budget Assembly**.

Warm Thanks to district 4 DCM Eric V. for securing a meeting space for us, for rallying his groups on the Windward side to ensure we have meals, transportation, and home-staying our neighbor island trusted servants to minimize costs for groups enabling assembly members to fulfill their service commitments. Thank you for demonstrating what Unity looks like.

My duties and responsibilities can be found in the S&Gs page 2, section 2.7.

Since we last met at the Inform the Delegate Assembly. I have attended monthly Oahu Intergroup meetings and monthly Annual Hawaii Convention Steering and planning meetings.

When invited I attended and participated in other Areas' pre-conference assemblies, general service conference delegate report backs, monthly regional and national alt delegate meetings. I had the privilege of sharing in another Area's Service Manual Workshop alongside with my alt delegate peers and past and current delegates and trustees.

Those who could, traveled to Kauai with Tommy for his delegate report back. Thank you, Anastasia, for ensuring a platform was provided for our delegate to report back to district six and the proposed budget was presented.

We are gearing up for the Annual Hawaii Convention. It is an exciting time. Also, it is an honor to serve alongside Deborah L and the AHC steering committee.

Thank you, Mary, for committing to provide an outlook about area service among the area officers. I was interviewed by Mynah Bird committee member, Anne. Thank you for the opportunity to share my experience, strength, and hope.

In closing, I want to thank Tommy for keeping me abreast with update information about the going-Ons which he is privy to as our trusted general service conference member. This ensures my preparedness in his absence.

In Love & Service,
Deborah S
