

Minutes taken from Jan 16, 2018 District 9 Meeting/ Panel 67

Opened with Serenity Prayer

Minutes were taken by Erin.

Attendance: Bruce, Steven, Shannon, Suzy and Erin

Treasurer Report: Shanon, there is \$2319.20 total. Shannon questioned Post Office fees, pay 12 months?

DCM Report Pati sent an email to Bruce; Alkathon was a success. All groups did a great job with their time slots and Mililani Women's Step Meeting started us off with a great turn out of women and food. The \$200 initially granted for the Alkathon was spent and \$78 was collected in the basket. That will be given to the Treasurer, Shannon at the next district meeting.

Bruce emailed Inventory Questionnaire to District 9 Groups.

He plans on attending other groups in the district to encourage them to have GSR positions filled.

Laura is moving to Kailua and will be changing her District and stepping down as Alt Dcm.

We need to start our Assembly committee positions next month. Bruce will be available until next August and he stated he is learning 😊

Old Business Camp Homelani is still being considered. We need to commit to beds. Rent beds, \$25 a night for cabins (maybe commit to two cabins, they hold 20 people, dorm style). A minimum of \$1000 deposit required for Oct 20th & 21st. There will be a charge of \$50 a night for the Beach house.

Group Reports

Steve (Mililani Men's Stag): Big meeting, a lot of military. There are many members with days to many over thirty year's recovery. Steven will be attending Inventory Assembly on Maui.

Susie (10 & 10): Group is thriving and will be paying for her trip to the Assembly. They are having a Group Conscious for the questionnaire for the Assembly.

Erin (Waimea Wahines): All is good.

Shannon (Mililani Women's Step): Attendance is off but new people. Meetings are good.

We closed with the Responsibility Pledge and then the Serenity Prayer.
