Group Reports

Steve (Mililani Men's Stag): The meetings are going well. A lot of military are attending. The group did have an issue of "regulars" that were sharing too much so they have now made it a tag meeting.

Susie (10 & 10): The group is going well. At the last business meeting Susie shared about her round table at the last Assembly, the topic was Archives and how each group could share their information, group history and Old Timers with Archives. If anyone is interested in sharing their group's history please contact her. Susie also mentioned the Diamond Head District is looking for volunteers with transportation for the "Inform the Delegate Assembly" in April.

Shanon (Mililani Women's Step and Traditions) The group are an upswing with attendance and the group is going well.

Karen (Cottages) Group is good. They are trying to plan a barbeque in April. They got a new air conditioner that was mysteriously donated. Attendance is strong.

We closed with the Responsibility Pledge and then the Serenity Prayer.
