Our next meeting we will discuss covering the commitment for our Area Assembly on the North Shore (District 9) October 20th & 21st. That will include Transportation, Registration (Shanon), Homestay, Set-up and Clean-up.

Group Reports

Steve (Mililani Men's Stag): They've had a lot of mandated military members. Steve his group really doesn't have much interest in Service above the group level.

Angel (New Hope Group) Group has a great location with good parking, they even have rolling chairs. The meetings are going well. They just had one group member celebrate 21 years.

Pati (Waimea Wahines) Meetings have been well attended lately. We had quite a few women speakers from Area Assemblies come and share. All of our group commitments are filled. Our group is having their group conscious the last week in March for the Assembly.

Susie (10 & 10): Susie missed last week but had material available for the group conscious meeting for the upcoming Assembly. There is an issue with the chairs not making it to the meeting. Group conscious decided that members will bring their own chairs.

Karen (Cottages) They have new light in their room now. The Barbeque/potluck/picnic is schedule for April 14th. The group decided to have Karen make the decisions for the Assembly.

Dave (Nooners) Safety has become an issue in the meeting. It's one person in particular but they decided they will not ban that person from the meeting.

We closed with the Responsibility Pledge and then the Serenity Prayer.
