Group Reports

Steve: (Mililani Men's Stag) Meetings and attendance are good. It was change to a tag and now changed back to an open meeting with a 3minute timer, it is working well. There is a large military presence and many report cards.

Susie: (10 & 10) the group is alive and well and Renny is the new secretary. There is good attendance and good speakers.

Ben: (10 & 10) He is still doing chairs for the group.

Albert: (Cottages) Treasurer position is filled. There is good attendance and speakers.

Pati: (Waimea Wahines) group is doing great. Most group members have commitments and we have "speaker seekers" shared commitment for each week finding new speakers.

Karen: (Cottages) all positions filled and all is well.

We closed with the Responsibility Pledge and then the Serenity Prayer.
