

District 9 Meeting Minutes-January 15th, 2019

-Opened with the Serenity Prayer

-Pati read the minutes from the last business meeting on 12/18/2018 and minutes were accepted

-Pati gave the DCM report. All is well. Cottage winter potluck was successful, District New Year's Eve Alcothon went well. Met with Bruce (former DCM) we have about \$809.00, waiting for everything to be signed over. Went way over budget on last years Budget Assembly, we will have to downsize/evaluate our costs. Our district has accepted the request to host this years Budget Assembly in August and will need to start planning for that. Much to be discussed. Pati mentioned reaching out to Dave Nooners GSR and wants to start visiting groups, need more representation at District Meetings.

-Old Business

Last year we didn't have enough home stay, need to get the word out on that.

We have a little over 3 months to get Registration Flyer out.

Location for Budget Assembly. Schools? Camps? Pavilions? Various locations mentioned.

Important to think about location regarding airport and town.

Pati will reach out to Bogie and Christy for ideas. Will investigate Sunset Community Center and Waialua High School.

Max will investigate Bellows (must have military ID to reserve a Pavilion and be present to represent) will also make an announcement at

Mililani Men's Stag, many military personnel attend. Max will look into Our Redeemer in Manoa, and Maka Pello.

Billy will look into St Michael's and Ka Ako.
