Article XII Guidelines for Discussion

District 5 "loosely" follows Robert's Rules of Order, which when practiced, allows the discussion to proceed in an informal, yet business-like manner.

General guidelines for discussion:

1. Once a topic or motion is placed into discussion, each participant may address the body and discuss only the topic or motion.
2. Each participant may speak for two (2) minutes.
3. After everyone has spoken once, and if time allows, participants are given a second opportunity to speak on the topic or motion.
4. We discuss only one motion at a time.

Determining a Quorum:

1. A quorum is required for a vote. District 5's quorum is 50% +1 of all registered (present at the start of the meeting) voting members.

Types of Voting Results: votes are determined by a show of hands, except during elections when the district voting members cast ballots.

1. Simple majority: achieved whenever 51% (and not 50% +1) of the voters are in agreement.
2. Substantial unanimity: At least 2/3 of the district voters agreeing to one side of a motion. The total number of votes cast must meet or exceed the quorum number requirement. All matters of policy require a substantial unanimity vote.
3. On all motions requiring a substantial unanimity result, District #5 always gives the minority the opportunity to speak to the majority.
  - a. A member of the majority always has the opportunity to make a motion to reconsider during the minority discussion.
4. Minority: District #5 recognizes the minority in two distinct ways:
  - a. When a simple majority result is needed, the minority is the side with the least amount of votes.
  - b. When a substantial unanimity result is needed, the minority is the side that didn't get the required two-thirds vote necessary to pass a motion. Therefore, when seeking substantial unanimity, the minority could have the majority of the votes, but less than the required two-thirds.

Procedures for frequently made motions:

1. Call the question: (requires a second to the motion, and discussion ceases immediately)

A motion to call the question:

- a. Stops the discussion of a motion already in progress to proceed directly to a vote.
- b. Requires a substantial unanimity result.
- c. If substantial unanimity is achieved, the district moves immediately to vote on the motion at hand.
- d. If substantial unanimity is not achieved, discussion continues.

2. Table: (Requires a second to the motion, and discussion ceases immediately)

A motion to table a discussion:

- a. Stops the discussion of a motion already in progress until a future date.
- b. Requires a simple majority result to proceed.
- c. If the motion is accepted, then the motion in progress is set aside to a future date, either later on, during the meeting or for a future meeting.
- d. If the motion is defeated, then the discussion of the motion in progress continues.

3. Reconsider: (Requires a second to the motion, and discussion ceases immediately) A motion to reconsider:

- a. Must be made by someone who first voted with the majority and wants to change his or her vote
- b. Must be made during the minority discussion
- c. Requires a simple majority result
- d. If the motion is accepted, then the district will re-vote on the issue
- e. If the motion is defeated, the results from the first voting procedure will be the district's action.

4. Departing from the agenda:

- a. The DCM has the discretion to rearrange the agenda in non-significant ways in order to best facilitate the business.
- b. Example of significant agenda items: (Requires a

- second to the motion, with discussion to follow) could be, but not limited to, items to be voted on.
- c. Examples of non-significant agenda items could be, but not limited to, non-voting items.
  - d. When a rearrangement is necessary:
    1. A voting member or the DCM, must state this intent in the form of a motion.
    2. The motion requires a second.
    3. A substantial unanimity result must be achieved.
    4. If substantial unanimity is achieved, then rearranging the agenda is allowed.
    5. If substantial unanimity is not achieved, the agenda remains as written.
